About our Virgin Coconut Body Oil

Venui's Coconut Body Oil is derived from fresh organic coconuts harvested from the pristine island of Espiritu Santo. No heat is used during the centrifugal extraction method, resulting in the finest and purest product.

Lightly fragranced with Frangipani, Venui's Body Oil is a premium botanical blend that can be used as a moisturiser, massage oil and for hair and scalp treatments.

It is perfectly suited for people with skin conditions such as eczema and other allergies as it contains no parabens, no preservatives or any nasty chemicals.

The product may solidify at lower temperatures. Place the bottle in warm water to return to liquid state.
