500 ml HDPE bottle

Vanilla : Premium Vanilla Extract 500 ml

Product of Vanuatu

Gross weight 640 g

Air-mail shipment not included - Please allow ~ three weeks for delivery

High strength, slow maceration product from the best Vanuatu vanilla.

Venui's vanilla beans slowly macerate in a traditional infusion method. The beans high vanillin content slowly dissolve into a certified organic ethanol solution at controlled temperature, to be press-filtered after more than 6 months aging. The extract's thickness and dark brown color, point out the high quantity of vanilla beans used for this three-fold preparation.

One table-spoon of extract in a pastry or ice-cream mix guarantees a rich vanilla aroma
